- Microbiological testing (compulsory for each batch at goods-in, and post-milling for powders) £37.50 per test
- Milling, cutting and blending set-up £30 per job
- Milling, cutting and blending £105 per hour
- Additional processing – for example, hand sorting, removing foreign matter etc. £35 per hour, per person

### Delivery

- All bulk products are supplied on an EXW basis and delivery charges are confirmed at the time of placing an order
- We are happy for our customers to arrange collection with their own freight agents or couriers if they would prefer
- Our opening hours and directions can be found under the **Contact** section of our website

There are no **additional** or **hidden costs** associated with our blending, cutting and processing service. You will not be charged for any of the following:

- Pallets or packaging
- Copies of organic/BRC/Fair certificates or related paperwork
- Certificates of Conformity
- Costs of finance
- Endorsed organic export certificates
- Storage of product – provided the stock is called-off within a reasonable time frame – normally 3-6 months. Thereafter a fee of £4.20 will be charged per pallet per week, or part of week.

### Contract Storage and Receipt, Handling & Despatch (RH&D)

- Storage – ingredients supplied by customers prior to blending, cutting and processing £4.20 per pallet per week, or part of week
- RH&D £4 per pallet, plus delivery
- Delivery As priced by our pallet freight provider, or customer collection

### Analysis and testing

As part of Organic Herb Trading's Quality Management system we routinely undertake a range of analysis on our products, using a risk based system, for the list outlined below.
